Welcome

Please relax as here at Byfords we love kids! Although our layout is not ideal for buggies and keeping your eye on the little ones, we have tried to do everything else to make your experience a good one.

High chairs

If one does not arrive within seconds of you sitting down, just ask and we will be glad to help.

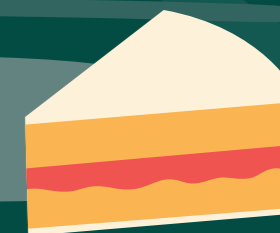

Buggy park

We are tight for space but there are areas to put your buggy. Please ask a member of the team.

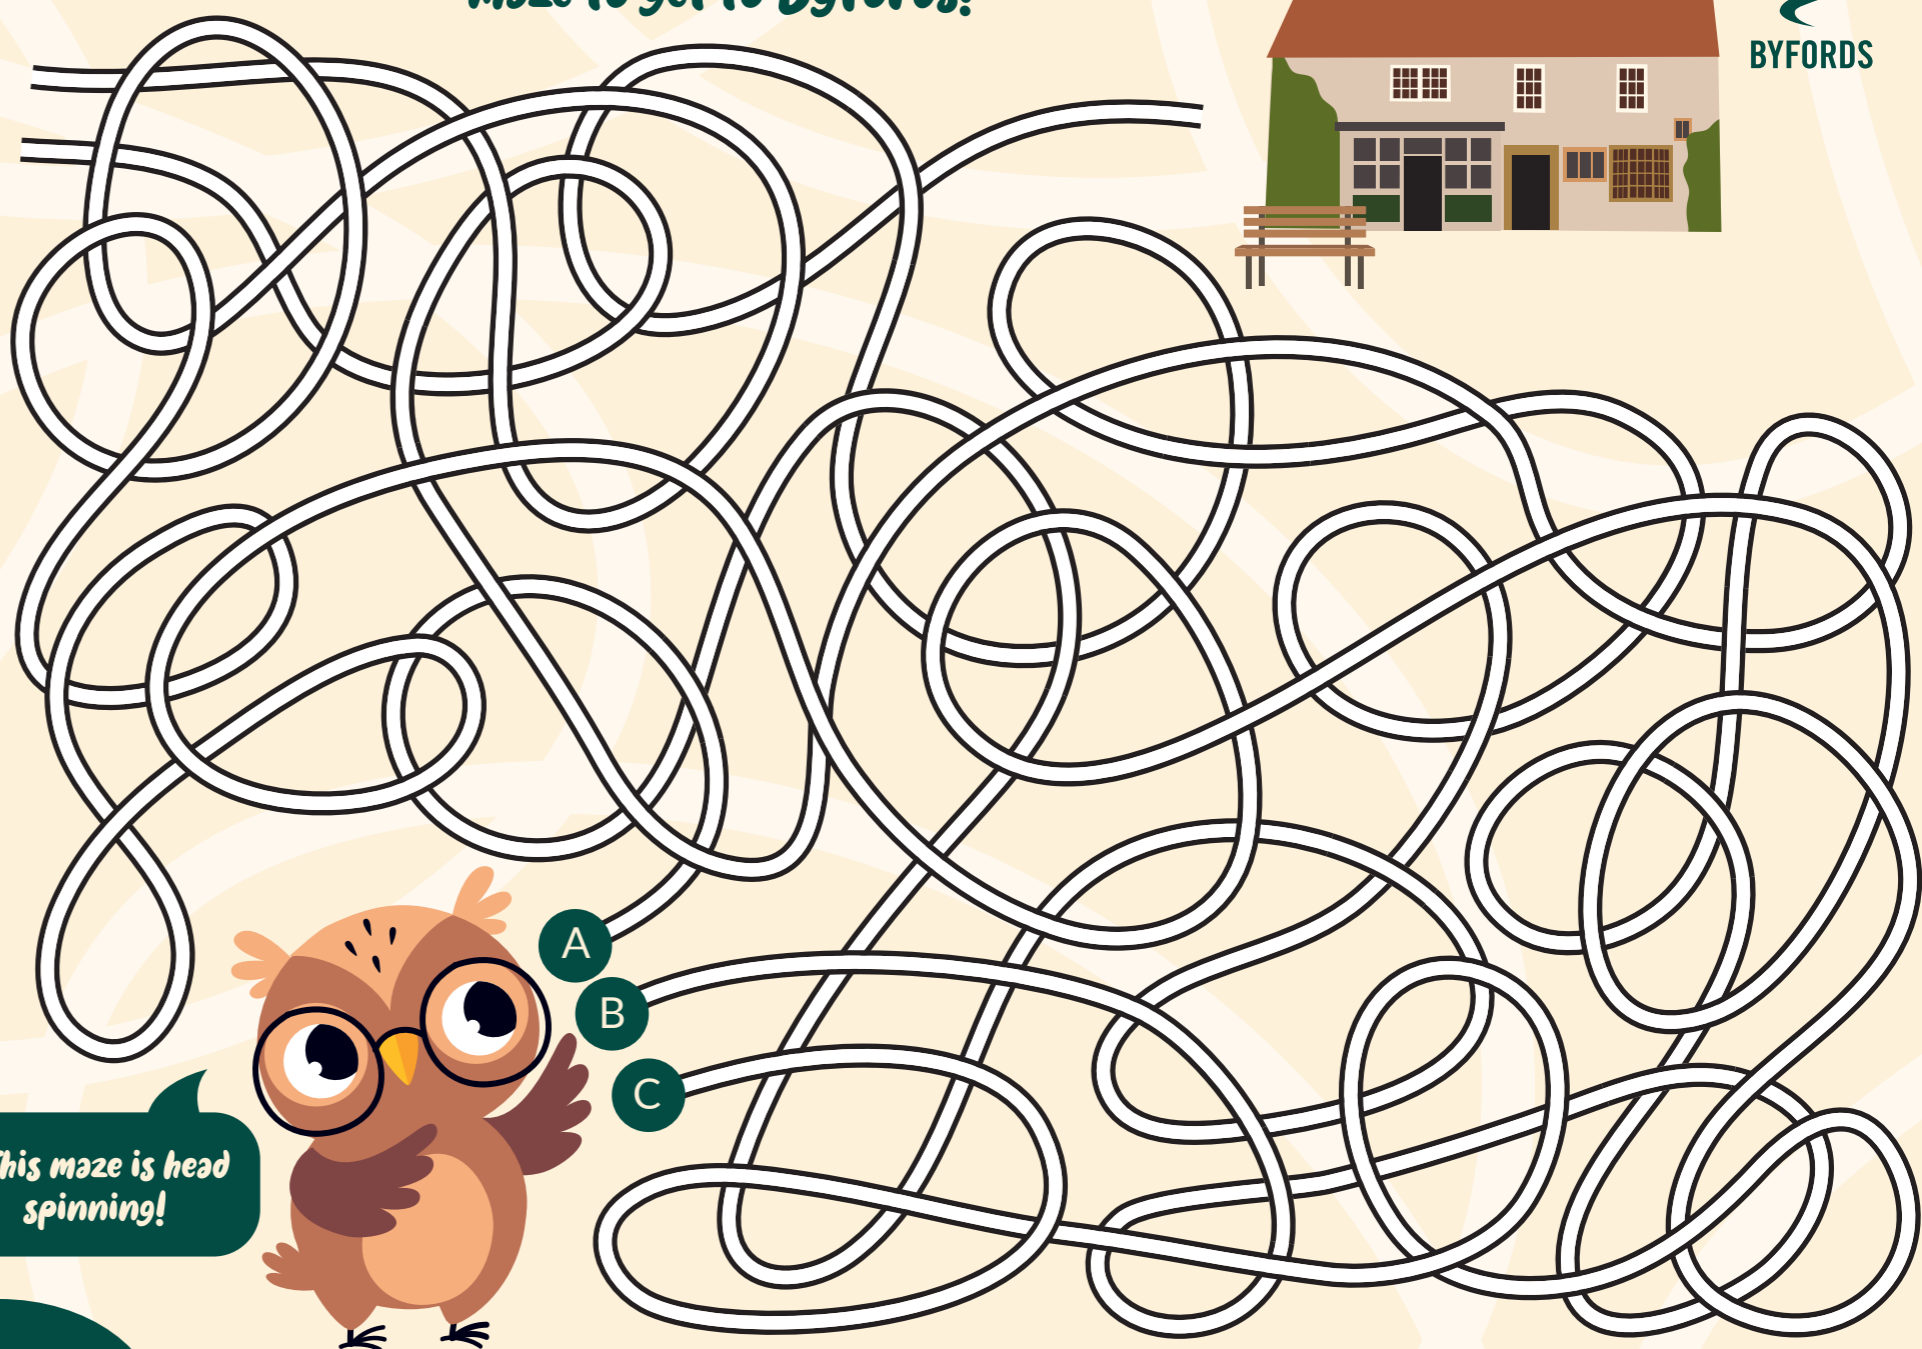

Baby food

We are happy to heat this, but please remember that not all of our staff have children, so please give clear instructions on how you would like the food prepared. Please note our microwave is a commercial one & food will take less time to heat through.

Please see our main menu for our range of yummy cakes & cookies!

Help Oscar through the higgledy-piggledy maze to get to Byfords!

Answers

Turn the sheet upside down to see how you got on!

Spot the difference

Can you spot the 5 differences between these two slices of cake?
